The Provident Life and Trust Co.

OF PHILADELPHIA

The true objective in the management of a Life Insurance Company is two fold: First, to maintain perfect security; and second, while respecting the rights of every policy holder to reduce the cost of Insurance. Judged by the standard, the PROVIDENT claims to be unexcelled.

The NEW POLICIES of the Provident are unsurpassed for conciseness and simplicity of form and for adaptability and liberality in all essentials.

The PREMIUM RATES of the Provident are exceedingly low and are still further reduced by large annual dividends.

Do not burden your mind

by trying to remember everything, but rather condense the
knowledge you have.

Remember only

that the Directory is your ready reference giving the index
to your city, its inhabitants and its business. It tells you
where to buy and sell your goods, and in the advertising
section, will be found the cards of the more progressive
manufacturers and dealers giving a descriptive idea of
their line.
